NOTARY PUBLIC [redacted] SINGAPORE

By virtue of Rule 8(3)(c) of the Notaries Public Rules, a Notarial Certificate must be authenticated by the Singapore Academy of Law in order to be valid.

With effect from 16 September 2021, a Notarial Certificate shall be deemed to be validly authenticated by the affixing of an Apostille to the back of the Notarial Certificate.

APOSTILLE

(Convention de La Haye du 5 Octobre 1961)

This **Apostille** only certifies the authenticity of the signature, seal or stamp and the capacity of the person who has signed the attached Singapore public document, and, where appropriate, the identity of the seal or stamp. It does not certify the authenticity of the underlying document.

If this document is to be used in a country not party to the Hague Convention of the 5th of October 1961, it should be presented to the consular section of the mission representing that country.
